Hinckley, IL

Hinckley Airfield (0C2) located on US Highway 30 just 3 miles west of the friendly village of Hinckley, Illinois. That's about 50 miles west of Chicago

Soar With Us

Glider Soaring Rides

Experience The Thrill of
Motorless Flight

Gift Certificates Available

Although most have experienced commercial flight, it has been mankind's dream to experience the freedom and exhilaration of soaring in cloud laden skies with the grace and silence of a bird. Windy City Soaring Association offers Chicagoland residents the opportunity to experience this thrill: soaring through the air in a modern high performance sailplane.

Red Tail Ride

3000

All our flights include a brief overview of soaring and controls of the sailplane. When you are buckled in and ready to go the sailplane will be connected to the tow plane with a 200ft. Rope. The Red Tail ride includes a tow to **3000ft.** above the earth. Your soaring flight will last approximately 20-25 minutes depending on weather. It's an enjoyable introduction to soaring with plenty of time to get comfortable and enjoy the thrill. You may even see a Red Tail Hawk flying alongside you.

Only **\$99.00***

* Prices Subject to Change Without Notice

Eagle Ride

5000

Our most popular ride. The Eagle includes a Mile High Tow to **5280ft.** above the Hinckley Countryside and a flight which lasts about 35-40 minutes depending on the weather. Allows enough time to take the controls (under supervision) and fly the glider yourself or seek out rising air currents (thermals) to gain altitude and learn what soaring is all about. On a clear day you can even see the Chicago skyline. The Eagle ride is also the perfect gift for that special occasion.

Only **\$159.00***
